

## ST. JUDE'S ACADEMY

Holy Child School Road, Sonipat - 131001  
Phone : 0130-2200573

Dear Students, Happiness is in the air. Long awaited summer holidays are again ready to welcome you with their warm showers! Date .....

Life needs to be balanced between fun and work. Summer Holidays give a chance for students to relax. During holidays, leisure replaces work as a priority. You are filled with the enthusiasm to explore, travel and learn. Besides relaxing the students should keep in mind the execution of the assigned work in a well-planned manner. Motivate your wards to interact with knowledgeable books that would in turn lead their minds to grow exclusively and in an effective manner.

Holiday homework is a good opportunity for you to consolidate your learning and work. CBSE has also planned some projects for you (IX & X) in Mathematics and Social Science which should be done during the vacation (kindly go through CBSE guidelines).

Apart from training you to excel in your academic pursuits, I want you to take time out for your other interests. Summer vacation is the best time to engage in activities which you enjoy doing but are unable to do on regular routine days.

- Enhance your communication skills by conversing with your friends and family in English.
- Read books! Explore the imaginative world. Reading broadens our imagination by opening our minds to new possibilities and new ideas. Books help us experience and analyse the world through others' lives.
- Run, exercise, sweat! Channelize your energy, build team spirit and enjoy playing challenging sports and games.
- Have at least one meal a day with your parents and siblings. After the meal, volunteer yourself to wash the plates. Enjoy the feeling of togetherness with your family members and also learn to respect the work done by the people who help you at home.
- For those who are planning to visit their grandparents, experience the affection and good times of being with them and ask them stories about their childhood. Understand how their upbringing was different from yours and how your life has been transformed due to advancement of technology.
- Explore the culture and heritage of your city by visiting heritage sites like monuments and peep into the rich history.

I hope you enjoy the summer holidays. School for students will begin again on Monday the 1<sup>st</sup> of July 2019.

With my very best Regards

Fr. Kulandai Sany

Principal
